

CLUB NIGHT COMPETITION APRIL 2024

Congratulations to:
JONATHAN PARSONS & IAN SMART

April's club night competition was the quarterly squash tournament. This is a handicapped event and with a large range in ability the evening made for some interesting games, with everyone having a good chance of winning. At the end of the evening Jonathan Parsons came out on top beating Mike Benstead in the main final 15-8. In the plate final Ian Smart managed to overcome Malcolm Holten 15-13.

Next month it's a squash teams event.
