Dear Proposed member

Thank you for your request to join our club. Please find our Membership Application Pack which includes the application form, England Squash membership form, the club waiver and the club damage and shoe policy. These all need to be completed and returned to us. You can print these off and post them to us (if posting please note that unfolded A4 paper requires a "large" stamp not standard postage), or complete all the forms digitally and email them back after saving the file on your device. If you have a child between 16 and 18 who wishes to be a "Junior Member" then please also complete the Junior 16-18 Consent Form.

Tavistock Squash & Racketball Club is a friendly community owned club that offers a wide range of activities for members.

We have a very low annual membership fee. Annual membership is just £80, £100 for couples and up to £120 for families. Court fees are an amazing £3 per 45 minute session! We also have a special Junior membership fee of just £20 for Juniors aged 16-18 not included on a family membership.

We have two excellent quality squash courts. The club was fully re-furnished in 2015 thanks to a substantial Sport England Grant and provides excellent modern sports facility. The club facilities are available 24 hours a day - 7 days a week!

Online booking system! Our online booking system takes the hassle out of organising a game. Simply log on, select the date and time you want to play and you're ready to go.

We are a community member-owned club with some 200 members. This means the club is run by the members for the sole benefit of the members. We are a non-profit making club with all membership and playing fees invested back into the facilities.

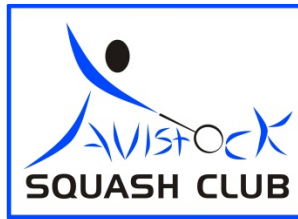

Bronze Charter Club We have been awarded the Bronze Charter by England Squash. Put simply, if a club has achieved Club Charter status, you know that it has excellent facilities, offers a welcoming environment, sets high standards in child protection, and looks to actively increase the recruitment, education and development of its members.

We look forward to receiving your membership application in due course but should you have any queries in the meantime, please do not hesitate to get back to me.

Yours Sincerely

Simon Powell

Chairman

Assumption of Risks

I am aware that participating in the activities and sports offered by or associated with Tavistock Squash and Racketball Club, including Squash and Racketball for the duration of my membership and in the event I return as a guest or non-paying member, exposes me to many inherent risks, dangers and hazards, known and unknown.

By engaging in any activities offered by or associated with Tavistock Squash and Racketball Club, I freely accept and fully assume all inherent risks, dangers and hazards, known and unknown, and the possibility of personal injury or death resulting from:

4. events which neither the club nor its suppliers could have foreseen or forestalled even if it had taken all reasonable care

The club's liability to compensate me for any property damage or loss (in the case of loss or damage other than death and personal injury) is limited to a reasonable amount having regard to such factors as whether the damage was due to a negligent act or omission by the club.

CLUB DAMAGE AND SHOE POLICY

Anyone playing at the club must abide by the club rules, the simple version of which is printed on the reverse of this sheet. We expect all members to respect the club and its facilities and not cause any damage.

The club policy on shoes is of major importance. This states:

“Members playing Squash or Racketball must only wear CLEAN, NON-MARKING shoes, which they have brought to the club to change into.” Only shoes without coloured soles or with coloured soles that clearly state “non-marking” are allowed to be worn.

The club has now installed high definition CCTV to both courts any anyone damaging the courts through poor quality shoes or general bad behaviour, will risk being banned. The club is fed up with players wearing the wrong shoes and damaging the court floors and if we spot any fresh damage we will be able to pin point exactly who caused it. The liability for this will be with the person wearing the shoes, but if that is a child from a family membership or a guest of the member or anyone from a family membership, the main member(s) will be held liable. We expect all full members to be aware of this policy and ignorance will be no defence.

I confirm that I have read and understood the rules and that I risk being banned from the club without refund of any membership fees or court account balance, if I am found to have damaged the club directly or due to a family member or guest associated with my membership. I confirm that the club may seek appropriate compensation for any damage caused. I confirm this form is signed by entering the lead members name(s) (this means the parents or legal guardians on a family membership) and ticking the check box.
