

CLUB NIGHT COMPETITION OCTOBER 2023

Congratulations to:
WILL WESTLAKE & JON PARSONS

October's club night competition was the quarterly handicapped tournament. This proved a popular event with a good turnout and a good mix of players. Following a random draw we had some interesting matches with all games played in a great spirit no matter what the difference in standard. Following the preliminary round of matches and the semi-finals, Jon Parsons played Andrei Catrina in the plate final and Will Westlake took on Ian Smart in the main final. Both matches proved very close between players of a similar standard, but the two higher ranked players in both matches proved victorious after some great squash and close action.

Next month it's doubles so get your insurance sorted quickly!!
