

THE JOHN JAMESON TROPHY 2018

Congratulations to: **WILL WESTLAKE & MATT SMITH**

In the main final of the John Jameson Trophy 2018 we had a repeat of the previous year's final with defending champion Ian Smart taking on Will Westlake. This proved a great match with both players having their opportunities, but after a slow start Will came through to win 3-15,15-13,8-15,15-13,15-8, winning the trophy for the fourth time.

In the plate final Matt Smith took on Sam Herbert in another close and hard fought match. As with Will, Matt did not make the best start but came through to win 9-15,15-13,15-12,11-15,15-13.

These were two entertaining games for those who were watching, and thanks go to Richard Baxter for doing a good job of umpiring.
