

WOMEN'S RACKETBALL TROPHY 2024

Congratulations to: **VICKI EVANS**

This year's final between Wendy Savage and Vicki Evans was a rerun of last year's final and was played on the 12th June. This was another tough match for Wendy as her opponent Vicki plays both squash and racketball for Devon. Wendy started slowly with Vicki able to control the rallies and she took the first game comfortably. Wendy started to get into the match during the second game creating more winning points, but Vicki was able to keep it close and took the second game 15-9. In the third game Wendy started brightly but Vicki's fitness and control made it difficult, and she went on to win the game 15-11 and the match 3-0. Vicki showed why she is in the Devon team with a game of control and great movement around the court and she is going to be tough to beat in the future.
